

The Indian Institute of Technology (IITs) are Centrally Funded Technical Institutes located across India. They are under the ownership of the Ministry of Education of the Government of India and are governed by the Institutes of Technology Act, 1961. The Act declares them as Institutes of National Importance and lays down their powers, duties, and framework for governance as the country's premier institutions in the field of technology.The act currently lists twenty-three IITs. Each IIT has autonomy and is linked to others through a common council called the IIT Council, which oversees their administration. The Minister of Education of India is the ex officio chairperson of the IIT Council.

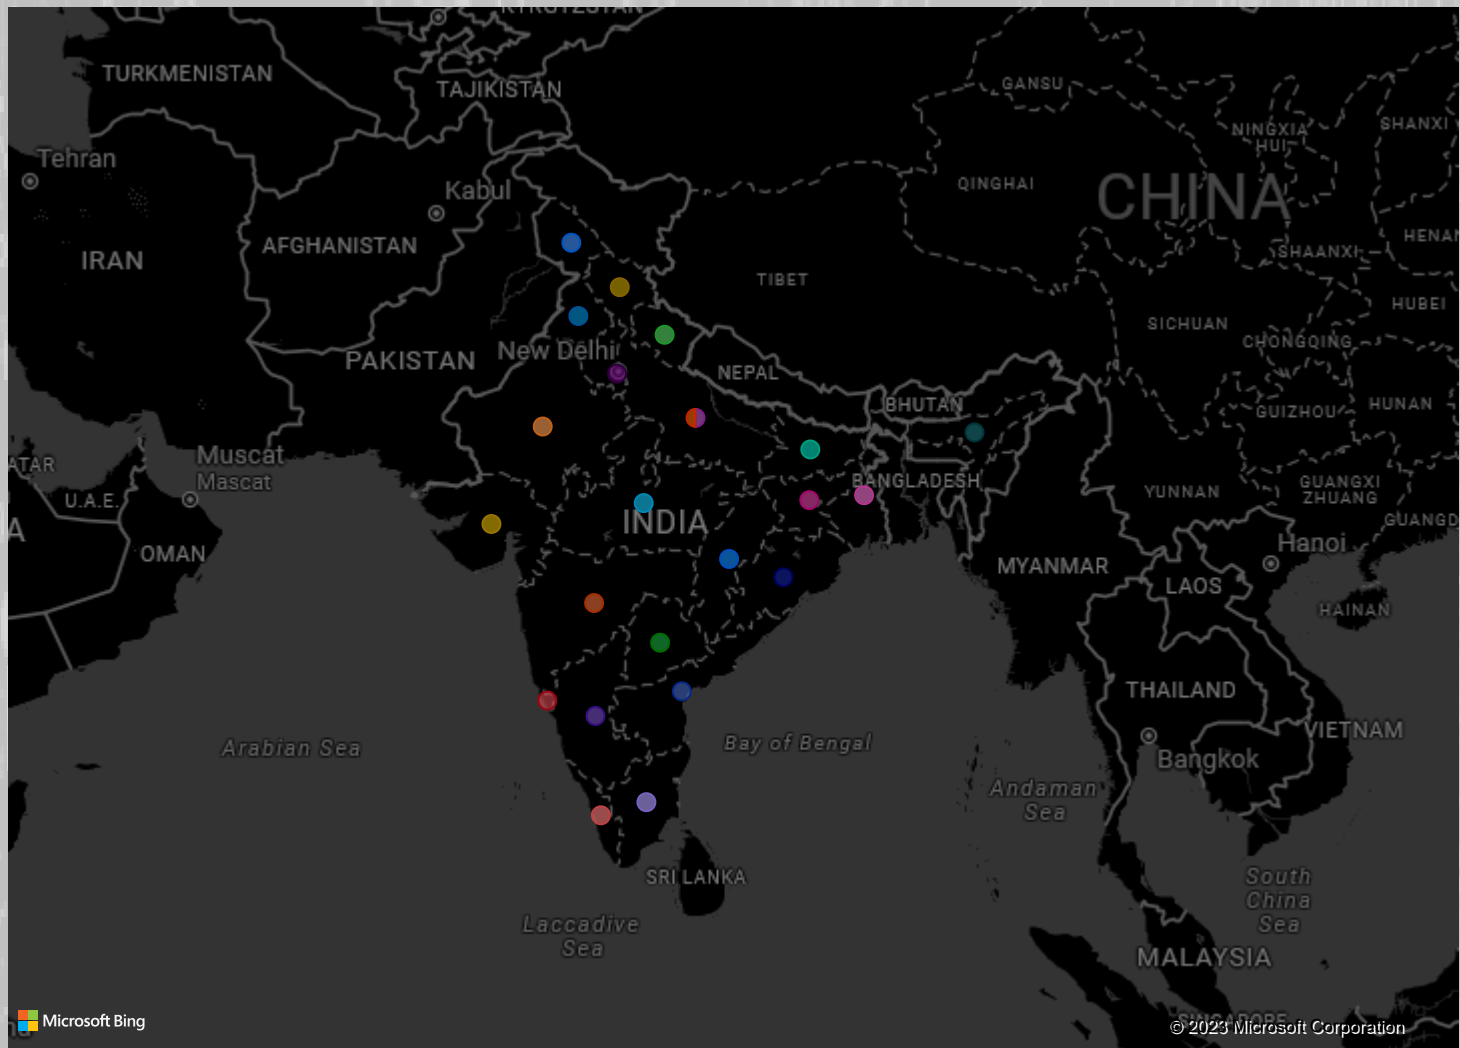

HISTORY

Date	Mile Stone
Jun 2023	Education officials of India and Tanzania announced that the first foreign IIT campus would be established on the Tanzanian autonomous territory of Zanzibar, as a satellite campus of IIT Madras. The campus is scheduled to begin offering classes in October 2023
Jan 2016	Six new IITs in Tirupati, Palakkad, Dharwad, Bhilai, Goa, and Jammu, approved through a 2016 bill amendment, were founded along with the conversion of Indian School of Mines Dhanbad into IIT (Indian School of Mines), Dhanbad
Jan 2012	Banaras Hindu University was made a member of the IITs and renamed as IIT (BHU) Varanasi
Jan 2009	eight new IITs were set up in Gandhinagar, Jodhpur, Hyderabad, Indore, Patna, Bhubaneswar, Ropar, and Mandi.
Jan 2001	the University of Roorkee was converted into IIT Roorkee.
Jan 1994	sixth institution at Guwahati under the Assam Accord in 1994.
Jan 1961	established Delhi campuses
Jan 1959	established Kanpur campuses
Jan 1959	established Madras campuses
Jan 1958	established Bombay campuses
Sep 1956	The Parliament of India passed the Indian Institute of Technology (Kharagpur) Act, declaring it as an Institute of National Importance
May 1950	The first Indian Institute of Technology was founded at the site of the Hijli Detention Camp in Kharagpur, West Bengal. The name "Indian Institute of Technology" was adopted before the formal inauguration of the institute on 18 August 1951 by Maulana Ab
Jan 1940	A 22-member committee, headed by Nalini Ranjan Sarkar, recommended the establishment of these institutions in various parts of India, along the lines of the Massachusetts Institute of Technology (MIT), with affiliated secondary institutions

CULTURE AND STUDENT LIFE

All the IITs provide on-campus residential facilities to the students, research scholars and faculty. The students live in hostels (sometimes referred to as halls) throughout their stay in the IIT. Students in all IITs must choose among National Cadet Corps (NCC), National Service Scheme (NSS) and National Sports Organisation (NSO) in their first years.[53] All the IITs have sports grounds for basketball, cricket, football (soccer), hockey, volleyball, lawn tennis, badminton, athletics and swimming pools for aquatic events. Usually the hostels also have their own sports grounds.

TECHNICAL AND CULTURAL FESTIVALS

All IITs organize annual technical festivals, typically lasting three or four days. The technical festivals are Shastra (IIT Madras), Kshitij (IIT Kharagpur), Techfest (IIT Bombay), Technex (IIT-BHU Varanasi), Cognizance (IIT Roorkee), Concetto (IIT-ISM Dhanbad), Tirutsava (IIT Tirupati), Nvision (IIT Hyderabad), Meraz (IIT Bhilai), Amalthea, (IIT Gandhinagar), Techkriti (IIT Kanpur), Tryst (IIT Delhi), Techniche (IIT Guwahati), Wissenaire (IIT Bhubaneswar), Technunctus (IIT Jammu), Exodia (IIT Mandi), Fluxus (IIT Indore), Celesta (IIT Patna) and IGNUS (IIT Jodhpur). Most of them are organized in the months of January or March. Techfest (IIT Bombay) is also one of the most popular and largest technical festivals in Asia in terms of participants and prize money involved. It has been granted patronage from United Nations Educational, Scientific and Cultural Organisation (UNESCO) for providing a platform for students to showcase their talent in science and technology. Shastra holds the distinction of being the first student managed
